### FLASH ANIMATION SUBMITTAL FORM

Flash animations, when complete, should be saved, movie tested (Control>Test Movie), and then the SWF published and uploaded to -- <http://www.swfupload.com/>

Instructions:

Browse for your file

Pick the SWF

Press Upload; wait a bit

Write down your SWF web page address; copy/paste and test it to make sure it works!

**PROJECT:** \_\_\_\_\_

**SWF Webpage URL:** \_\_\_\_\_

*What I liked most about this project was:*

*The biggest frustration was:*

*Fill out and answer the questions and place this in the tray; you might have a neighbor test your URL first, just to be safe!*
